

LIGHTS OUT SOON?

TIME IS TICKING!

ATTENTION: AMENDMENT OF RoHS* DIRECTIVE 2011/65/EU

**25th FEB.
2023**

**Ban on all CFLni
lamps**

**25th AUG.
2023**

**Ban on all T5 and T8
fluorescent lamps**

For a detailed
overview, visit
ledvance.com/rohs.

The use of mercury in lighting products is prohibited by the RoHS Directive 2011/65/EU. For some products in general lighting, exemptions are defined in Annex III of the directive, which were amended at the start of 2022.

In accordance with the amended RoHS directive, compact fluorescent lamps with plug-in bases and all T5/T8 fluorescent lamps may no longer be placed on the market in the EU as of the above dates.
